

# Short Term Mission Covenant Form

APPLICANT TO FILL OUT THEIR DETAILS BELOW

While participating in this mission I will maintain the highest standard of Christian conduct. I understand that in the unlikely event that I exhibit characteristics that are not in accordance with the Word of God and the characteristics of a minister as stated in I Timothy chapter 3, I will be dealt with as the leadership of NKandBeyond Missions see fit. This can and may include a premature return home at my own or my parents expense.

I realize that all contacts are those of this ministry and I will not engage in any questionable behaviour towards said contacts. Ministerial ethics will keep me from setting up future ministry engagements with said contacts without first making this ministry aware of such intentions.

NKandBeyond Missions desires that all future correspondence with the pastors and contacts that are met on this trip be channelled through its offices, unless otherwise determined by the leadership of NKandBeyond. This is both to protect you, the contacts involved, and the many years that it has taken to develop good working relationships with said contacts.

Any desire to financially support or help a native pastor, contact or any national, will first be brought to the attention of the leadership of NKandBeyond. After approval, any support will then be channelled through NKandBeyond, unless otherwise determined by the leadership of NKandBeyond. All designated support will be presented with your name signifying its true source. Any thank you letters that are sent to our office will be forwarded to you.

I have read the manual to which this form is attached and completely understand and agree to abide by its content. I also understand and agree to the above-mentioned contract and do hereby covenant to live by the law of Christian love while representing Christ and NKandBeyond Missions to my fellow team mates and the leadership of NKandBeyond Missions.
